Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. ### BIG MILLWRIGHT'S WIFE STATES FACTS

**Feared She'd Never Walk Again—Improvement Is Surprise To Friends**

"I was so crippled up with rheumatism that I could barely manage to hobble around and was afraid I would never be able to walk right again before I took Tanlac," said Mrs. Martha Lindsay, wife of a well known millwright who resides at 2835 Peabody avenue, Dallas Texas.

"About two years ago, she continued, 'when my trouble first started I had the most awful neuralgic pains in the back of my head and my left limb and foot ached so with rheumatism that I couldn't go out anywhere; in fact it was all I could do to hobble over to the next place. I suffered such terrible pains that I could not rest at night and I would feel so dull and worn out in the morning that it was almost torture for me to get out of bed. I worried all the time over my troubles, because nothing gave me any relief and I was miserable night and day. I used all sorts of liniments and ointments and everything I could find, until someone told me about Tanlac and I tried it.

"I sure was surprised to find that even the first few doses made me feel so much better. I kept on taking it and my aches and pains soon left me and in a short time, I was walking almost as well as ever. I am feeling like a new person now and the wonderful results I have gotten from Tanlac surprises my friends as well as myself. I'm going to keep on taking Tanlac for a while and I never lost an opportunity to tell others what this wonderful medicine has done for me."

Tanlac is sold in Scotland Neck by E. T. Whitehead Co. in Enfield by Harrison and Hall; in Rosemary by Rosemary Drug Store; and in Littleton by Harrison Drug Store.

If you are troubled with indigestion correct your habits and take Chamberlain's Tablets, and you may reasonably hope for a quick recovery. ### ALL WRONG

**The Mistake Is Made By Many Scotland Neck Citizens**

Look for the cause of backache. To be cured you must know the cause.

If it's weak kidneys you must set the kidneys working right.

A Scotland Neck resident tells you how.

Johnson Allsbrook, Main St., says: "My kidneys were in a weakened condition. I had pains across the small of my back, head aches and dizzy spells. I suffered for years this way and took one medicine after the other but seems to get no relief and was getting worse all the time. Frequently I had to stop work. Doan's Kidney Pills were recommended to me and I decided to try them, getting my supply at the Whitehead Co's Drug Store. Doan's made me feel better from the first and soon I was entirely cured. I am well man today and give Doan's Kidney Pills the credit." (Statement given July 1, 1914)

On June 5, 1918, Mr. Allsbrook said: "I can't recommend Doan's Kidney Pills too highly. I gladly confirm my former endorsement. Doan's made me well and I am well today."
